Safety Data Sheet

Mia Stitch Peel Ply Fabric

Not a hazardous substance or mixture. 2.3 Hazards not otherwise classified (HNOC) or not covered by GHS None. Section 3 Composition/Information on Ingredients 3.1 Substance No ingredients are hazardous according to OSHA criteria. No components need to be disclosed according to the applicable regulations. Section 4 First Aid Measures I finhaled Move person into fresh air. If not breathing, give artificial respiration and get medical attention. In case of skin contact Thoroughly wash skin with soap and water. In case of skin irritation, get medical attention. In case of eye contact If irritation occurs from processing vapors, flush eyes with plenty of water. Get medical attention if symptoms persist. If swallowed Never give anything by mouth to an unconscious person. Rinse mouth with water.	Date of Preparation: December 1, 2015

8.2 Exposure controls

Appropriate engineering controls

Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of mists and/or vapors below the recommended exposure limits. An eye wash station and safety shower should be located near the workstation.

Section 8 Exposure Controls/Personal Protection cont.

8.3 Personal protective equipment

Eye/face protection

With product at ambient temperatures, use safety glasses equipped with side shields.

8.4 Skin protection

Hand Protection

With product at ambient temperatures, use disposable nitrile, neoprene or butyl rubber gloves with repeated or prolonged use.

Body Protection

Wear appropriate clothes if there is potential for skin irritation from dust.

8.5 Respiratory Protection

The need for respiratory protection is not anticipated under normal use conditions and with adequate ventilation. If elevated airborne concentrations above applicable workplace exposure levels are anticipated, a NIOSH-approved organic vapor respirator equipped with a dust/mist prefilter should be used.

8.6 Safety Stations

Make emergency eyewash stations, safety/quick-drench showers, and washing facilities available in work area.

8.7 General Hygienic Practices

Avoid breathing dust. Avoid contamination of food, beverages, or smoking materials. Wash thoroughly after handling, and before eating, drinking or smoking. Remove contaminated clothing promptly and clean thoroughly before reuse.

Section 9 Physical and Chemical Properties

9.1 Information on basic physical and chemical properties

Appearance	Solid, color varies
Odor	None
0401	
Odor Threshold	No data available
рН	No data available
Melting Point	No data available
VOC Content	0
Initial boiling point & boiling range	e No data available
Flash Point(COC)	Not relevant
Evaporation rate	No data available
Flammability (solid, gas)	No data available
Upper/lower flammability	No data available
Vapor Pressure	No data available
Vapor density	No data available
Relative density (g/cc)	No data available
Water Solubility	Insoluble
Coefficient: n-octanol/ water	No data available
Auto-ignition temperature	No data available
Viscosity	No data available
Explosive Properties	None
Oxidizing Properties	None
% Volatile	0

Section 10 Stability and Reactivity							
10.1 Reactivity							
None.							
10.2 Chemical stability							
Stable under recommended storage conditions.							
10.3 Possibility of hazardous reactions							
None.							
10.4 Conditions to avoid							
Heat, open flames, and dust formation.							
10.5 Incompatible materials							
Strong bases, strong acids, and strong	g oxidizing agents.						
10.6 Hazardous decomposition products							
Thermal oxidative decomposition car	1 produce CO and CO_2 .						
Section 11 Toxicological Information							
11.1 Information on toxicological effects							
Acute toxicity	No data available						
Inhalation	No data available						
Dermal	No data available						
Skin corrosion/irritation	No data available						
Serious eye damage/eye irritation							
Respiratory or skin sensitization	No data available						
Germ cell mutagenicity	No data available						
Carcinogenicity							
	product present at levels greater than or equal to 0.1%						
-	ble, possible or confirmed human carcinogen.						
-	s product present at levels greater than or equal to 0.1%						
	inogen or potential carcinogen.						
	s product present at levels greater than or equal to 0.1%						
	wn or anticipated carcinogen.						
•	product present at levels greater than or equal to 0.1%						
is identified as a carc	inogen or potential carcinogen.						
Reproductive toxicity	No data available						
Specific target organ toxicity							
- single exposure	No data available						
Specific target organ toxicity	NT 1. 111						
- repeated exposure	No data available						
Aspiration hazard	No data available						
Section 12 Ecological Information							
12.1 Toxicity	No data available						
12.2 Persistence and degradability	No data available						
12.3 Bioaccumulative potential	No data available						
12.4 Mobility in soil	No data available						
12.5 Results of PBT & vPvB assessment	No data available						

Section 13 Disposal Considerations

13.1 Disposal

Use safety containers for disposal. Contact your supplier or a licensed contractor for detailed recommendations. Follow applicable Federal, State, and local regulations.

Section 14 Transport Information

DOT: Not regulated **IMDG:** Not regulated **IATA:** Not regulated

Section 15 Regulatory Information

15.1 US Federal Regulations

RCRA Hazardous Waste Number (40 CFR 261.33): Not listed RCRA Hazardous Waste Classification (40 CFR 261): Not classified CERCLA Hazardous Substance (40 CFR 302.4): Listed/unlisted specific per RCRA Sec. 3001 SARA 311/312 Codes: No hazard categories identified SARA Toxic Chemical (40 CFR 372.65): No components were identified TSCA Inventory Status: All ingredients listed on TSCA inventory requirements

15.2 State Regulations

California Proposition 65: Not listed

Section 16 Other Information

16.1 Disclaimer

The following supersedes Buyer's documents. SELLER MAKES NO REPRESENTATION OR WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. No statements herein are to be construed as inducements to infringe any relevant patent. Under no circumstances shall Seller be liable for incidental, consequential or indirect damages for alleged negligence, breach of warranty, strict of liability arising in connection with the product(s). Buyer's sole remedy and Seller's sole liability for any claims shall be Buyer's purchase price. Data and results are based on controlled lab work and must be confirmed by Buyer by testing for its intended conditions of use. The product(s) has not been tested for, and is therefore not recommended for, uses for which prolonged contact with mucous membranes, abraded skin, or blood is intended; or for uses for which implantation within the human body is intended.
