RE: MATERIAL SAFETY DATA SHEETS

Under the new Federal Regulation of Occupational Safety and Health Administration (OSHA) entitled "Hazard Communication Standard" (29 C.F.R. 1910.1200), the product listed below is considered an "article" as defined by the Standard.

Product Name: DIKE-O-SEAL PREFORM STRIPS

The requirements of the Standard do not apply to articles. Consequently, as article this product is considered to be non-hazardous and exempt from the Material Safety Data Sheet (MSDS) provisions.
