

Freeman Pneumatic Cartridge Dispenser

Description

A Freeman exclusive, our heavy-duty cast aluminum dispenser is designed for use with our 3-gallon cartridges of TUF-Fil, TUF-Carv, ECONO-Fil, and Dynalite products. Other manufacturer's 3-gallon cartridges of polyester filler material may be also be dispensed with this unit.

This unit may be installed anywhere in the shop where a compressed air source is accessible.

Best of all, this unit provides the convenience of neatly dispensing only the amount needed for the job. This lowers costs, reduces mess, minimizes waste, and keeps unused product sealed and fresh.

Our dispenser also features a Pressure Relief Valve for safe operation.

Engineered and manufactured in the USA.
