

October 07, 2019

Dear Valued Customer:

Huntsman Advanced Materials, LLC was notified of a discontinuation of a raw material used in the production of the below product:

Material Description
EPIBOND® 126 A/B

Unfortunately, we have been unable to locate a functionally equivalent raw material to be able to continue to produce this material.

In its place, Huntsman can offer the closest alternative as EPIBOND® 1534 A/B or EPIBOND® 1536 A/B. We recommend our customers make the final determination to check that the product is suitable for their specific application.

Material Description
EPIBOND® 1534 A/B
EPIBOND® 1536 A/B

We apologize for any inconvenience and ask that you please contact your sales representative with any questions.

Regards,

A handwritten signature in black ink that reads "A Cooper". The signature is written in a cursive, flowing style.
